

COMPANY PROFILE

Zhejiang Xianju Pharmaceutical Co., Ltd. (Stock Code: 002332), originally established as Xianju Pharmaceutical Factory in 1972, is a National Torch Program-certified high-tech enterprise. The company operates under an integrated business model encompassing APIs (Active Pharmaceutical Ingredients) and finished dosage forms, specializing in the R&D, production, and commercialization of steroid APIs and pharmaceutical preparations.

Guided by a corporate culture rooted in authenticity, collaboration, and innovation, Xianju Pharmaceutical adheres to a strategic framework focused on creating mutual value for stakeholders, including customers, employees, shareholders, and society at large. The company emphasizes the alignment of individual contributions with organizational and societal value creation.

Core values of "Integrity, Strive, Openness, Learning, Responsibility, and Win-win" underpin its operations, while its business mission—"Your Health and Well-being, Our Dedication and Service"—drives its commitment to excellence. With a strategic vision to "Rank Among the Global Top Ten Steroid Drug Suppliers and Become a Preferred Partner for Customers and Employees," Xianju Pharma continues to strengthen its leadership in the steroid pharmaceutical sector.
